(Release No. 34-73221; File No. SR-BYX-2014-023)

September 25, 2014

Self-Regulatory Organizations; BATS Y-Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use of BATS Y-Exchange, Inc.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on September 12, 2014, BATS Y-Exchange, Inc. (the “Exchange” or “BYX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act<sup>3</sup> and Rule 19b-4(f)(2) thereunder,<sup>4</sup> which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend the fee schedule applicable to Members<sup>5</sup> and non-members of the Exchange pursuant to BYX Rules 15.1(a) and (c). Changes to the fee schedule pursuant to this proposal are effective upon filing.

<sup>5</sup> A Member is defined as “any registered broker or dealer that has been admitted to membership in the Exchange.” See Exchange Rule 1.5(n).

The text of the proposed rule change is available at the Exchange's website at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange recently filed a proposed rule change to adopt a new routing option called "RMPT".<sup>6</sup> RMPT is a routing option under which a Mid-Point Peg Order<sup>7</sup> checks the System<sup>8</sup> for available shares and any remaining shares are then sent to destinations on the System routing table that support midpoint eligible orders.

The Exchange now proposes to modify its fee schedule to adopt fees applicable to the RMPT routing strategy. For orders routed pursuant to the RMPT routing strategy and executed on an away trading venue, the Exchange proposes to charge \$0.0012 per share in securities priced at or above \$1.00 and 0.29% of the total dollar value of the execution

<sup>7</sup> Mid-Point Peg Orders are defined in Rule 11.9(c)(9).

<sup>8</sup> System is defined in Rule 1.5(aa).

for securities priced below \$1.00. The proposed fees are intended to approximate the cost for executions of midpoint orders on away trading venues.

The Exchange proposes to implement the amendments to its fee schedule effective immediately.

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.<sup>9</sup> Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,<sup>10</sup> in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls. The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive.

The Exchange believes that the proposed changes to the Exchange's fee schedule to add fees for the RMPT routing strategy represents an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities because they are in line with the fees charged for executions through other low-price routing strategies and approximate the cost to the Exchange of executing midpoint orders on away trading venues. Lastly, the Exchange notes that the use of the RMPT routing strategy is voluntary and believes that the proposed change is non-discriminatory because

<sup>10</sup> 15 U.S.C. 78f(b)(4).

it applies uniformly to all Members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Because the market for order execution is extremely competitive, Members may readily opt to disfavor the Exchange's routing services if they believe that alternatives offer them better value. For orders routed through the Exchange through the RMPT routing strategy the proposed fees are in line with the fees charged for executions through other low-price routing strategies and approximate the cost to the Exchange of executing midpoint orders on away trading venues. As stated above, the Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if the deemed fee structures to be unreasonable or excessive.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>11</sup> and paragraph (f) of Rule 19b-4 thereunder.<sup>12</sup> At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or

appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
